

## Product Bulletin 38

---

<b>Product</b>	StorNext® 3.1.3
<b>Summary</b>	Support added for T10000 rev B drives in SL3000 libraries
<b>Date</b>	June, 2009

---

### Announcement

After StorNext 3.1.3 was released for general availability, support was added for Sun/STK T10000 rev B tape drives in Sun/STK SL3000 libraries. The encryption feature on T10000 rev B drives is NOT supported.

The Supported Platforms document for StorNext 3.1.3 on [Quantum.com](http://Quantum.com) has been updated to include support for T10000 rev B drives in SL3000 libraries.
