

Product Bulletin 13

Product: StorNext® 3.0

Summary: ADIC will end StorNext Server support of SGI® IRIX

Date: March 2006

StorNext 2.8 and subsequent maintenance releases (2.8.x) will be the last ADIC releases that support the SGI IRIX operating system on the StorNext Server. ADIC will continue to support SGI IRIX clients within a StorNext environment.

If you have any questions, contact ADIC Technical Assistance Center (ATAC).
